

# The Red Hatted Cowboy

By Trigg Moore

*Inspired by the lyrics of Robert L. May. and music by Johnny Marks*

There is Bob, Joey, Joe, Todd, James, Alex, and River,

But do you recall,

The most famous cowboy of all?

Trigg the red hatted cowboy,

Had a very tall, tall hat.

And if you ever saw it,

You would say it was a perfect fit.

All of the other cowboys,

Used to spit and call him names.

They never let poor Trigg,

Join in any cowboy games.

Then one day the sheriff said,

“There’s a big sand storm ahead,

and we need to get some food to the jail.

Trigg the red hatted cowboy would you guide the horses tonight?

Trigg the red hatted cowboy you’ll go down in history.
